

XSD OP AREA LRA EQUIPMENT ORDERING

LRA EQUIPMENT REQUESTS
HTL-Central Zone, MVU-East Zone, SND-Metro Zone, NCJ-North Zone

Note: Escondido Fire will place requests to the North Zone (NCJ) for LRA

LRA EQUIPMENT REQUESTS

Each Zone will fill requests within their respective Zone until all resources are depleted or at maximum drawdown levels.

LRA EQUIPMENT REQUEST TO XSD OP AREA
Once the Zone Resources are depleted within the Zone, the Zone will place the request to the:
**Op Area Dispatch Center
North Comm. (NCJ)**

**LRA-EQUIPMENT REQUESTS
XSD OP AREA**

The Op Area dispatch center NCJ will place requests for the Zone or Zones for equipment within the Op Area until Op Area resources are depleted or at maximum drawdown levels.

Once the Op Area resources are depleted, then the Op Area dispatch center North Comm. (NCJ) will place requests to Region VI

Note:

The requesting Zone Dispatch Center will need to know how the requested resources are being ordered when placing a request to the Op Area dispatch center.

Finance Code:

MMA, CMA, CFAA, or Assistance for Hire

IS there an FMAG approved?

The Op Area dispatch center will need to know the same information when placing the order to other zones within the Op Area and to Region VI

NOTE: For ordering Op Area to Op Area-See CAL OES Bulletin #1.

CAL OES Bulletin #1 applies for each incident in the Operational Area.
