

XSD OP AREA LRA HANDCREW/DOZER ORDERING

LRA HANDCREW/DOZER REQUESTS
HTL-Central Zone, MVU-East Zone, SND-Metro Zone, NCJ-North Zone

Note: Escondido Fire will place requests to the North Zone (NCJ) for LRA .

LRA HANDCREW/DOZER REQUESTS

Each Zone will fill requests within their respective Zone, if applicable.

LRA HANDCREW/DOZER REQUESTS TO XSD OP AREA
If the requesting Zone does not have a certain resource or the Zone has depleted the type of resource within the Zone, the Zone will place the request to the:

**Op Area Dispatch Center
North Comm. (NCJ)**

**LRA-HANDCREW/DOZER REQUESTS
XSD OP AREA**

The Op Area dispatch center NCJ will place requests for the Zone or Zones for handcrew/dozer requests within the Op Area until Op Area resources are depleted.

Once the Op Area resources are depleted, then the Op Area dispatch center North Comm. (NCJ) will place requests to Region VI.

Note:

The requesting Zone Dispatch Center will need to know how the requested resources are being ordered when placing a request to the Op Area dispatch center.

Finance Code:

MMA, CMA, CFAA, or Assistance for Hire

IS there an FMAG approved?

The Op Area dispatch center will need to know the same information when placing the order to other zones within the Op Area and to Region VI

NOTE: For Dozer requests in LRA it may be appropriate to fill from the County of San Diego or the local jurisdiction under special equipment for events or incidents other than fire related incidents like flooding or extreme weather conditions on the coastal beach areas, etc.
